GRANTS (principal investigator)

2025.06 – 2026.06 Hosted **the open project of Shantou University Digital Humanities Center** (¥2,000RMB)

Project Title: Research on the Dilemma and Path of AIGC Technology in Promoting Cultural Integration of Chaoshan Elderly Groups in the Digital Age.

- Combine digital humanities methods and empirical research to accurately examine the unique cultural needs of the elderly in Chaoshan area and their preferences for traditional and emerging literary and artistic forms.
- Design an AIGC cultural application interface and interactive method that is more in line with the regional characteristics of Chaoshan and more in line with the literary and artistic preferences of the elderly.
- Complete the writing of the academic paper and submit it to a suitable journal.

2024.06 – 2025.04 Hosted **the Social Science Project of Shantou City** (¥5,000RMB)

Project Title: "New Southern Writing" and Contemporary Chaoshan Young Writers Studies

- Establish a creative archive of representative writers under the age of 45 (such as *Chen Chongzheng, Lin Zhao, Chen Qiufan, Huang Shoutan,* etc.), including the writers' biographies, lists of works, awards and reviews, and form a "Basic Information Compilation of Chaoshan Young Writers".
- Explore the deep influence of Chaoshan overseas Chinese culture, clan concepts and Wu Nuo beliefs on writers.
- Complete the writing of the project report and obtain the excellent completion.

RESEARCH EXPERIENCE (co-investigator)

2023.12 – 2025.04 Participated in **the Youth Fund of the Ministry of Education of China**

Project Title: A Study on the Transmedia Narrative and Communication Effects of Chinese Online Literature from the Perspective of Gender Studies

- A multi-dimensional database of character relationships in the science fiction novel "The Three-Body Problem" was constructed.
- The calculation and visualization of social network centrality were completed using Python and Gephi.
- The core position of female characters in the social network of the work was demonstrated.
- Combining *Jiade Luo*'s "trust mechanism" theory, the behavior of typical characters such as *Ye Wenjie* and *Cheng Xin* was explained.
- The completed academic paper has been published.

2023.09 – 2024.12 Participated in **The Major Project of National Social Science Fund of China**

Project Title: Compilation, Research and Database Construction of Chinese Literary Supplement Literature (1898-1949)

- Independently completed the manual digitization of the entire catalog of the Nanjing Xinmin Daily's "New Garden" supplement (1935-1937, a total of 389 issues), and established an Excel database containing author, genre, theme, and special issue information.
- Fills the academic gap that the supplement's documents have not been included, the database has been uploaded to the *Zenodo* website for public review and download.
- The completed academic paper will be published soon.

2023.09 – 2024.06 Participated in **2023 Shantou Social Sciences Planning Project**

Project Title: Research on the Creation, Dissemination and Database Construction of Chaoshan Network Literature

- The creative process, list of works and market response of more than 10 representative Chaoshan writers (*A Pu, Yu Fang, Lian Jue*, etc.) are sorted by "male frequency/female frequency" to build a writer archive.
- Focusing on core issues such as "homogenization of works" and "lagging IP development", through data statistics and in-depth interviews, quantitatively analyze the shortcomings of Chaoshan online literature in genre breakthroughs and market competitiveness.
- The completed academic paper has been published.

2023.09 – 2024.06 Participated in **the General Social Science Project of Guangdong Province**

Project Title: Research on the creation, development, dissemination and database construction of Guangdong network literature

- Systematically sort out the author archives, work texts and commentary data of Chaoshan online writers such as *A Pu, Turtle is not a turtle, and Jing Jiangxiao.*
- The completed academic paper has been published.
